INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Piscataquog Land Conservancy
New Boston, New Hampshire 03070

Opinion

We have audited the accompanying financial statements of Piscataquog Land Conservancy (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Piscataquog Land Conservancy as of June 30, 2022 and the statements of activities and changes in its net assets, cash flows and functional expenses for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Piscataquog Land Conservancy and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in aggregate, they would

influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Exercise professional judgement and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Piscataquog Land Conservancy' internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Piscataquog Land Conservancy' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Piscataquog Land Conservancy's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 20, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

PISCATAQUOG LAND CONSERVANCY
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 1. Nature of Activities

Piscataquog Land Conservancy is a nonprofit organization founded in 1970. Its purpose is to conserve the natural and scenic environment of the Piscataquog, Souhegan and Nashua River Watershed communities in southern New Hampshire. The organization is supported primarily through donor contributions and grants.

Note 2. Significant Accounting Policies

Basis of Presentation

The Organization maintains its accounting records on the accrual basis of accounting whereby revenues are recorded when earned and expenses are recorded when the obligation is incurred. The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions – These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

Net Assets with Donor Restrictions – These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

Basis of Accounting: The financial statements of PLC have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Conservation Easements: In conformity with the practice followed by many land trusts, conservation easements purchased or donated are recorded as assets at the nominal value of \$1 on the Statement of Financial Position. All easements acquired by purchase are recorded as conservation activities expenses in the statement of activities and changes in net assets. In addition, costs incurred in obtaining the easements are recorded as current period expenses.

Cash and cash equivalents: For purposes of reporting cash flows, PLC considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents, excluding amounts the use of which is limited by Board designation or restriction. At June 30, 2022 and 2021, PLC had no cash equivalents.

Investments: Investments are stated at fair-market value. The net realized and unrealized gains (losses) on investments are reflected in the statement of activities.

PISCATAQUOG LAND CONSERVANCY
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 2. Significant Accounting Policies (Continued)

Estimates and assumptions: Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Accordingly, actual results may differ from these estimates.

Functional and Cost Allocation of Expenses: The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on estimates that are based on their relationship to those activities. Those expenses include payroll and payroll related expenses and occupancy costs. Occupancy costs are allocated based on square footage. Payroll and payroll related expenses are based on estimates of time and effort. Other cost allocations are based on the relationship between the expenditure and the activities benefited.

Contributions: Contributions received are recorded as an increase in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

Gifts and donations of investments or equipment are recorded at fair-market value on the date of the gift.

Donations of long-lived assets: PLC records donations of services and materials which increase long-lived assets at their fair values and recognizes these revenues as increases in unrestricted net assets.

Income taxes: The Organization has been notified by the Internal Revenue Service that it is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is further classified as an organization that is not a private foundation under Section 509(a)(3) of the Code. The most significant tax positions of the Organization are its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business tax (UBIT). The Organization follows the guidance of Accounting Standards Codification (ASC) 740, Accounting for Income Taxes, related to uncertain income taxes, which prescribes a threshold of more likely than not for recognition and recognition of tax positions taken or expected to be taken in a tax return. All significant tax positions have been considered by management. It has been determined that it is more likely than not that all tax positions would be sustained upon examination by taxing authorities. Accordingly, no provision for income taxes has been recorded.

PISCATAQUOG LAND CONSERVANCY
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 2. Significant Accounting Policies (Continued)

Capitalization Policy: Equipment, furniture and fixtures are carried at cost. Expenditures for additions, renewals and betterments of property and equipment, unless of relatively minor amount, are capitalized. Maintenance and repairs are expensed as incurred. Upon retirement or sale, the cost of the assets disposed of and the related accumulated depreciation are removed from the accounts and any gain or loss is included in other income in the period in which the asset is disposed.

Depreciation is computed using the straight-line method over the following useful lives:

	<u>Years</u>
Land improvements	10 - 20
Buildings and improvements	10 - 40
Equipment and furnishings	5 - 10

Depreciation as of June 30, 2022 and 2021 was \$717 and \$556, respectively.

Concentration of Credit Risk: The Organization maintains a cash balance at a local bank. These accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At various times throughout the year, the Organization may have cash balances at the financial institution that exceeds the insured amount. Management does not believe this concentration of cash results in a high level of risk for the Organization. At June 30, 2022 and 2021 the Organization had no uninsured cash balances.

Comparative Financial Information: The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Financial Instruments: The carrying value of cash and cash equivalents, accounts and grants receivable, prepaid expenses, accounts payable and accrued expenses are stated at carrying cost at June 30, 2022 and 2021, which approximates fair value due to the relatively short maturity of these instruments. Other financial instruments held at year-end are investments, which are stated at fair value.

Revenue and Revenue Recognition: Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. Contributions are recognized when cash or other assets are received.

PISCATAQUOG LAND CONSERVANCY
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 2. Significant Accounting Policies (Continued)

Subsequent Event: Management has evaluated subsequent events through October 4, 2022, the date on which the financial statements were available to be issued to determine if any are of such significance to require disclosure. It has been determined that no subsequent events matching this criterion occurred during this period.

Note 3. Fair Value Measurements

Fair values of assets measured on a recurring basis at June 30, 2021 and 2020 are as follows:

	Fair Value	Quoted Prices In Active Markets for Identical Assets Level (1)	Significant Other Observable Inputs Level (2)
<u>June 30, 2022</u>			
Investments	\$1,405,158	\$1,405,158	\$ -
Accounts Receivable	1,166	-	1,166
Grants Receivable	<u>40,000</u>	<u>-</u>	<u>40,000</u>
Total	<u>\$1,446,324</u>	<u>\$1,405,158</u>	<u>\$ 41,166</u>
<u>June 30, 2021</u>			
Investments	\$1,479,980	\$1,479,980	\$ -
Accounts Receivable	46,823	-	46,823
Grants Receivable	<u>-</u>	<u>-</u>	<u>-</u>
Total	<u>\$1,526,803</u>	<u>\$1,479,980</u>	<u>\$ 46,823</u>

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions. The fair value of accounts, pledges and grants receivable are estimated at the present value of expected future cash flows.

PISCATAQUOG LAND CONSERVANCY
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 4. Investments

Investments are carried in the aggregate at fair market value and are comprised of stocks, mutual funds, and cash as follows at June 30:

	<u>2022</u>	<u>2021</u>
ETF's	\$1,196,864	\$1,353,253
Equity mutual funds	-	108,487
Fixed Income	192,202	-
Equity securities	16,092	18,240
Cash and money market	<u>87,292</u>	<u>81,916</u>
Subtotal	1,492,450	1,561,896
Less amounts included in cash	<u>(87,292)</u>	<u>(81,916)</u>
Total	<u>\$1,405,158</u>	<u>\$ 1,479,980</u>

Total return on investments as of June 30 is summarized as follows:

	Without Donor	<u>With Donor Restriction</u>		
<u>2022</u>	<u>Restriction</u>	<u>specific purpose</u>	<u>in perpetuity</u>	<u>Total</u>
Interest and dividends	7,125	30,081	293	37,499
Net investment gain	<u>(174,665)</u>	<u>(76,291)</u>	<u>(1,973)</u>	<u>(252,929)</u>
	<u>(167,540)</u>	<u>(46,210)</u>	<u>(1,680)</u>	<u>(215,430)</u>
Withdrawals in accordance with spending policy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ (1,680)</u>	<u>\$ (1,680)</u>
<u>2021</u>				
Interest and dividends	10,277	19,726	224	30,227
Net investment gain	<u>84,457</u>	<u>167,827</u>	<u>1,883</u>	<u>254,167</u>
	<u>94,734</u>	<u>187,553</u>	<u>2,107</u>	<u>284,394</u>
Withdrawals in accordance with spending policy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ (2,107)</u>	<u>\$ (2,107)</u>

FASB Accounting Standards Codification Topic 820-10 *Fair Value Measurements* defines fair value, requires expanded disclosures about fair value measurements, and establishes a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at the measurement date. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurement).

PISCATAQUOG LAND CONSERVANCY
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 4. Investments (Continued)

Under Topic 820-10, the three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included in Level 1 that are either directly or indirectly observable for the assets or liabilities.

Level 3 inputs are unobservable inputs for the assets or liabilities.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

All investments are measured at Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets. None of the investments are Level 2 or Level 3 investments.

The Organization maintains individual and pooled investments containing both restricted and unrestricted funds. Investment income, gains, losses, and management fees of any pool are allocated to activities based on each activity's pro-rata share (on dollar and time basis) in the pool. Investments in marketable equity securities and marketable debt securities are carried at fair market value determined by "quoted market prices" per unit (share) as of the balance sheet date. All other investments are stated at cost. Donated investments are recorded at the "fair market value" as of the date of receipt. Investment income, realized and unrealized gains, losses, dividends and interest unrestricted activities are recorded as operating activities. Investment interest and dividend income on restricted activities is added to, or deducted from, the appropriate activity.

Spending Policy/Distributions

Annually, at the end of each fiscal year, 2.5% to 4% of the average Investment Fund balance (for the 3 years ending the quarter prior to the fiscal year end) may be made available for the support of the mission of PLC. In addition, certain expenses such as stewardship costs or specific fund objectives may result in cash draws. The Executive Director shall provide the Investment Manager with as much notice of such cash needs as is possible.

The Executive Director with Treasurer approval shall be authorized to make distributions as allowed under this investment policy. Any other withdrawals are subject to Board approval.

PISCATAQUOG LAND CONSERVANCY
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 5. Commitments and Contingencies

As of June 30, 2022, the Organization held one hundred conservation easements covering approximately six thousand, seven hundred and fifty-seven acres. The Organization is committed to monitoring these properties in order to ensure that the conditions of the conservation easements are not violated. In the event that any violation of these easements is deemed to have occurred, the Organization is committed to bringing any and all actions necessary to bring remedy.

The Organization also held one deed of conservation restriction. Deeds of conservation restriction have the same legal foundation as conservation easements.

Note 6. Conservation Easements Acquired

The value of donated conservation easements or bargain sale component of acquired conservation easements is reflected in the statement of financial position at a value of \$1 as management has made the determination that a conservation easement is not an asset, but rather a contingent liability.

During the year ended June 30, 2022 PLC acquired two conservation easements. One easement was acquired through donation from individual donors and the acreage totaled approximately forty-six acres. PLC also purchased one easement which totaled approximately sixteen acres.

During the year ended June 30, 2021 PLC acquired three conservation easements. Two easements were acquired through donations from individual donors and the acreage totaled approximately four hundred and seventy-three. PLC also purchased one easement which totaled approximately thirty-seven acres.

Note 7. Retirement Plan

The PLC matches each dollar of an employee's documented contributions to a qualified retirement program, up to a maximum of 3% of salary for full-time employees, and 0%-2.0% of salary for part time employees. Employer contributions for the years ended June 30, 2022 and 2021 were \$2,190 and \$3,750, respectively.

Note 8. Rental Arrangement

The Organization entered a two-year lease beginning July 2019 and renewed it for another two years beginning July 2021. Monthly rent is \$450 per month. Total rent related to this agreement was \$5,400 for the years ended June 30, 2022 and 2021, respectively.

Future required minimum payments are: 2023: \$ 5,400

	<u>\$ 107,810</u>	<u>\$ 108,830</u>

PISCATAQUOG LAND CONSERVANCY
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEARS ENDED JUNE 30, 2022 and 2021

Note 11. Liquidity and Availability of Financial Assets

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Organization's primary source of support is contributions. Most of that support is held for the purpose of supporting the Organization's budget. The Organization also raises funds to complete conservation projects. This support is held for the purpose of maintaining current and future conservation properties. The Organization has the following financial assets that could readily be made available within one year to fund expenses without limitations:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents, without restriction	\$185,637	\$155,912
Investments, without restriction	263,449	554,669
Accounts and current grants receivable, without restriction	<u>21,166</u>	<u>1,152</u>
	<u>\$470,252</u>	<u>\$711,733</u>

Note 12. Risks and Uncertainties: COVID-19

As a result of the spread of the Covid-19 coronavirus, economic uncertainties have arisen which may negatively impact future financial performance. The potential impact of these uncertainties is unknown and cannot be estimated at the present time.
